

Where to next? PeopleSoft Human Capital Management roadmap

Marc Dalmulder
Oracle Asia Pacific

Introduction

Curious where we are heading with the PeopleSoft Enterprise HRMS solutions? Then come to this presentation to hear the latest about the PeopleSoft HRMS roadmap. Although we will discuss some of our plans for Fusion, the focus of this presentation will be on the enhancements that are planned for HRMS 9.0. This allows you to plan effectively for your future upgrades.

PeopleSoft Enterprise HCM Product Roadmap

The product roadmap for PeopleSoft Enterprise HCM is posted on Customer Connection. Up-to-date information on the roadmap can be obtained by navigating to:

<http://www.peoplesoft.com/corp/en/support/roadmap/index.jsp>

PeopleSoft Enterprise HRMS 8.9

More information on the delivered functionality of release 8.9 can be found on Customer Connection:

<http://www4.peoplesoft.com/contdoc.nsf/0/E00E3C2450D73BCD88256FCF00685B91?OpenDocument>

PeopleSoft Enterprise HRMS 9.0

Detailed information about release 9.0 will be posted to Customer Connection in the future.

Fusion

More information about Fusion can be found on Oracle's website. A number of documents, internet seminars and links to useful information are available on:

<http://www.oracle.com/applications/project-fusion.html>
